DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Upon reviewing the papers as filed, It is noted that claims filed on 07/12/2010 with the notice of appeal in response to the non-final action filed on 04/15/2010 is considered and the objection of claims 8, 13 and 23 set forth in the non-final rejection of 04/15/2010 is hereby withdrawn. Since the limitations of claims 8, 13 and 23 are taught in the 103 rejection over Sherman et al., Oosterbaan et al. and Mulye et al set forth on page 4 of the non-final rejection dated 04/15/2010, they are appropriately rejected along with claims 1-7, 9-12 and 14-22. Applicants had filed an appeal brief on 10/06/2010 including the previously objected claims in the 103 rejection. Response to the Appeal brief is forthcoming.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to SAVITHA RAO whose telephone number is (571)270-5315. The examiner can normally be reached on Mon-Fri 7 am to 4 pm. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Ardin Marschel can be reached on 571-272-0718. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
